

Internship for Assay Technician

MBio Diagnostics of Boulder, CO (www.mbiodx.com) is seeking to fill an internship for an assay technician. MBio is technology development company focused on next generation products for medical diagnostics, food safety, and environmental applications. This position will be to assist in performing assays and experiments in the laboratory with a focus on assays to measure biomarkers derived from human and/or mammalian samples.

Job Duties:

The candidate will perform experiments to develop, optimize and show feasibility of assays on the MBio platform. Essential duties include; maintaining a complete and accurate laboratory notebook, careful execution of experiments with attention to detail, and observations to be communicated to a group of scientists. Active participation in general lab support will also be required. This position reports to a Scientist and/or a Senior Scientist.

Expectations:

- Collaborate with company scientists in planning and executing assays
- Follow established procedures, noting deviations if necessary
- Efficiently and safely perform assays in a variety of sample types
- Provide laboratory support in areas like sourcing supplies and overall lab maintenance
- Perform other job-related duties as assigned

No single candidate is expected to have demonstrated skill in all functions listed below. But candidates should highlight relative experience in a brief cover letter.

- Training and/or work experience in a chemical or biological laboratory
- Hands on experience with hazardous samples

Education and Experience:

- BA/BS in clinical, scientific, or related field, or equivalent experience
- Demonstrated record of task completion and professional maturity in a laboratory setting
- Excellent planning and problem-solving skills
- Effective communication skills

Applicant must have authorization to work in the U.S. Resumes must be accompanied by a cover letter explaining how the applicant meets the job requirements and desired skills. Please email cover letter and resumes to jobs@mbiodx.com with applicant name and the job title listing in the subject line. No phone calls, please.
